

## Campus Community Ambassadors for the Hiring Process

The College of Arts and Diversity Committee has compiled a list of key resources on the campus that might be of interest to prospective candidates. We encourage search committee chairs to contact people on this list to participate in the interviews of prospective candidates as needed. This resource list could also be shared with prospective applicants who may wish to speak with these recruitment ambassadors as they consider a faculty position at UNCG.

### College of Arts and Sciences Diversity Committee

Nadja Cech, Professor of Chemistry ([nadja\\_cech@uncg.edu](mailto:nadja_cech@uncg.edu))
