

## Documentation of Disability Form

### TO BE COMPLETED BY A PHYSICIAN OR QUALIFIED HEALTH CARE PROFESSIONAL

**IMPORTANT: Please Enclose Job Description/Classification Specifications for Your Provider!**

The Human Resources Office requires that employees requesting an accommodation provide current documentation about their physical or mental impairment. Eligibility is based on documented clinical data, not just self-report or evidence of diagnosis. The purpose of this form is to assist the University of North Carolina at Greensboro in determining whether, or not an employee has a disability as defined by the Americans with Disabilities Act (ADA); and if yes, whether or not a reasonable accommodation can be granted to assist the employee in performing one or more essential functions of his or her job safely and effectively. As the diagnosing professional, we ask that you complete fully all sections and provide a brief narrative where applicable. Please review the job description or classification specification prior to completing this form.

### Why are you being asked to complete this form?

We are a federal contractor or subcontractor required by law to provide equal employment opportunity to qualified people with disabilities. We are also required to measure our progress toward having at least 7% of our workforce be individuals with disabilities. Because a person may become disabled at any time, we ask all of our employees to update their information at least every five years.

Identifying yourself as an individual with a disability is voluntary, and we hope that you will choose to do so. Your answer will be maintained confidentially and not be seen by selecting officials or anyone else involved in making personnel decisions. Completing the form will not negatively impact you in any way, regardless of whether you have self-identified in the past.
