Disaster Recovery Plan

**Departmental Emergency Contact:** Jeanne Madorin, Associate Vice Chancellor (Note: This is the individual responsible for implementing this business continuity plan.)

A. Purpose

UNCG Human Resources (HR) will ensure the continuation of critical functions, including payroll transactions, HR systems support, benefits continuation, employee/management consultations, recruitment and selection for essential positions, policy interpretation and communication to employees of available HR related internal and external resources.

HR will also collaborate with external resources (Office of State Human Resources, UNC System Office, etc.) to gain consensus on necessary changes and/or supplements to current policies and procedures.

B. Priorities

Listed below are the priorities of HR by unit. Since we deal with the human resource element at the University, all have equal standing as far as priority in getting the function accomplished in an emergency or disaster.

All HR units will operate under the following general assumptions:

- HR Staff will have access to the following UNCG supported platforms/applications:
  - Citrix/MyCloud virtual environments
  - Banner/UNCGenie
  - BDM
  - WebFOCUS reporting and dashboards, Banner ODS, and ePrint
  - UNCG hosted websites
  - UNCG email
  - Berkshire Associates
  - HR Acuity
  - Data Mart
  - Maxient

- Employees are able to telework

Benefits

Benefits will operate under the following assumptions:

- Employees will have access to the website and phone system for latest updates on contacting Benefits
- Benefits staff can work from home if the university is closed
- Benefits staff will have access to Banner System, shared drives and their desktop via their personal computers
- Benefits staff will be able to conduct business with all external vendors including:
  - BenefitFocus
  - ORBIT
  - CCMSI

Last revised 5/1/2020
• All benefits related internal support departments are functioning and in place (i.e. – payroll, accounts payable, budget, etc.)

Benefits will provide the following essential services:

• Critical and essential benefits counseling and services to employees, in part, through a phone system to accommodate forwarding to home/cell numbers of Benefits staff. To include, but not limited to, advising employees on their access to and the availability of benefits through the State Health Plan. Employees will accomplish this through access to Banner, shared drives and office desktop environments from home/off-site computers if provided by UNCG IT Services.
• Paying benefit bills (prioritized with health insurance primary, followed by life insurance, then remaining benefit programs, and supplemental retirement accounts.
• Benefits enrollment for new hires
• Process all workers’ compensations claims for employees
• Process all disability claims for employees (both initial filing and monthly income benefits)
• Process all employee death claims, considering that these could be handled by the respective vendor in a worst-case scenario, rather than using HR as the middle conduit
• Processing of all retirement applications, noting this could be handled with the State Retirement System in a worst-case scenario.

Human Resources Information Systems

Systems will operate under the assumptions:

• Banner will be functional
• Web Focus/ODS will be available
• Employees will have phone and internet connectivity
• Ensure HR systems are operational during an emergency
• Procedures and resources in the backing up of essential online data exist (i.e. – CD/hard copy of website)

Under the foregoing assumptions, HR will provide the following essential services:

• Provide computer support for all departments within HR
• Provide ad-hoc reports and support for standardized queries within the HR system
• Maintain website as repository of critical news as well as policies, etc.
• Support office in verifying that daily activity in Banner is accurate, and work with individual departments and payroll to ensure that inaccuracies are resolved
• Provide other systems support as extemporaneously requested to the extent possible

Last revised 5/1/2020
The University of North Carolina at Greensboro

Disaster Recovery Plan

- Maintain open lines of communication with UNCG ITS and external vendors as relevant to systems

**Employment**

Employment will operate under the general HR assumptions and the assumptions in the Communication section as well as the following assumptions:

- Employment staff will be able to conduct business with all external vendors including:
  - PeopleAdmin (SpartanTalent – eHire, ePosition)
  - eVerify
  - CastleBranch

- Departments will have plans in place which allow recruitment to occur.

Under those assumptions, the following essential services will be provided:

- Provide guidance on relevant policies and procedures
  - Employment:
    - Recruitment/selection, employment eligibility, background checks, pay rates, schedules
- Recruit and select employees for essential vacancies
  - Temporary
    - Talent Solutions will provide temporary employee support to departments to perform emergency work in the areas of safety, medical, environmental cleanup, information technology, maintenance repair, etc. Will recruit, select, schedule, and compensate employees. If needed, will secure workers from Preferred Vendors (process already in place)
  - Permanent
    - Talent Solutions will recruit for and assist departments with selection/placement of essential permanent employees.
- Monitor employment eligibility status of employees whether full time, time limited, temporary or seasonal.
- Manage the administration of users in SpartanTalent.

**HR Records Management**

HR Records Management will operate under the assumptions:

- The HR systems will be functional, and that employees will have phone and Internet connectivity
- They will have the necessary documents and tools in place to work from home

Last revised 5/1/2020
The University of North Carolina at Greensboro
(Human Resources)
Disaster Recovery Plan

- Outside agencies are operating and functional
- Staff will be able to access Banner and BDM

Under those assumptions, the following essential services will be provided:

- Process Personnel Action Forms
- Enter information into Banner
- Submit all actions to payroll for processing and ultimately payment
- Maintain personnel files
- Process terminations
- Close out all personnel files as appropriate
- Create and update the absenteeism report for all vacant positions

**Compensation/Classification**

Compensation and Classification will operate under the general HR assumptions and the assumptions in the Communication section as well as:

- HR staff will have access to UNCG ITS managed platforms/software including:
  - Banner/UNCGenie
  - BDM
  - WebFOCUS reporting dashboards
  - Mycloud/Citrix
- HR staff will be able to conduct business with all external vendors including:
  - PeopleAdmin (SpartanTalent – eHire, ePosition)
  - UNC Datamart
- There has been no change (on the campus level) in the policies and procedures that govern the classification and compensation processes
- We will maintain access to Banner and DataMart

Under those assumptions, the following essential services will be provided:

- Classifications will maintain the following processes:
  - Temporary Reclassifications
  - New Positions resulting from shifts in departmental assignments
  - Reclassifications of existing positions
  - Abolishment of positions.
- Compensation will continue to process the following pay actions:
  - Overtime/Compensatory Time
  - Abbreviated work schedules
  - Temporary employees

Last revised 5/1/2020
Employee Relations will operate under the following assumptions:

- Employee Relations staff will be able to conduct business with all external vendors including:
  - PeopleAdmin (SpartanTalent – ePerformance)
  - HR Acuity
  - Maxient
  - ...

- Those managers and employees providing essential services will need guidance on personnel policies and assistance with any adverse or potentially grievable issues that may occur during the emergency.

Under these assumptions, ER will operate with the following procedures:

- The HR Business Partner or his/her backup and one member of management will be available for (virtual) consulting on essential policies, procedures, and critical work situations as they may develop.
- Develop and/or communicate revised polices to campus using available technology as needed (to ensure proper understanding of policies related to leave, discipline, separation and probationary issues).
- Recommend suspension of non-essential programs and services, including (but not limited to): grievance proceedings (in collaboration with EEO/AA), performance management, administrative investigations, and others as deemed non-essential at the time.
- Maintain contact with EAP provider to make use of their services if necessary and available.
- Maintain records/documentation of disciplinary action, suspension, etc. for future entry into Banner system.

Equal Employment Opportunity and Affirmative Action

EEO and AA will operate on the following assumptions:
The University of North Carolina at Greensboro  
(Human Resources)  
Disaster Recovery Plan

- EEO and AA staff will be able to conduct business with external vendors including:
  - Berkshire
  - HR Acuity
  - Maxient
  - PeopleAdmin (SpartanTalent)
  - Banner

- EEO and AA staff will be able to provide services to essential employees by providing counseling and guidance regarding policies, investigations, grievances/complaints, mediations, hearings, unemployment hearings, Federal responses, ADA accommodations, search committee guidance, search waiver processing, and Behavioral Assessment Team (BAT) reporting and guidance.

- Telephone, email, and internet services will remain available. Collaboration work will be maintained where appropriate with the General Counsel, Title IX office, and UNCG Police Department.

**Learning & Organizational Development**

Will operate under the following assumptions:

- There will be current employees who may need “refresher training” on topics such as: workers’ comp, compliance, ADA, Benefits information (filing claims, help lines, etc.), wellness program
- There will be the need to train newly hired employees on a condensed version of NEO including topics such as: benefits enrollment, compliance, basic ITS functions, emergency procedures/EPART

Based on those assumptions, training will provide the following essential services:

- Train new or existing employees as indicated in the assumptions above, with equal importance given to each area. Safety and other online training modules can be accessed virtually and remotely

**C. Responsibilities**

The following positions in HR are designated as essential:  
(A rotation/sharing schedule for essential HR employees will be determined as need arises by HR management (Associate Vice Chancellor, HR Business Partners, HRIS Manager)
