Simply present your active YMCA membership card and photo ID at any participating YMCA and enjoy free access.

Can I join the YMCA any day of the month? Yes, your membership rate will be pro-rated through the next available draft date.

My wife is an employee of your company. Can I join even if she does not? To qualify for the corporate membership, the employee must be the billing member on the membership.

I am already a member of the YMCA of Greensboro. Am I still eligible for the discount? Yes, you will need to visit the front desk of the YMCA that you joined and complete a change form to receive the discount.
