Enrolling for Your Benefits

1. I'm a new hire. What do I need to know about enrolling?

ANSWER: As a new hire, you will have 30 calendar days from your hire date to enroll in the following benefits:

- **State Health Plan (SHP)**
- **NCFlex benefits:** Dental, Vision, Accident, Flexible Spending Accounts (FSA), Cancer and Specified Disease, Critical Illness, and TRICARE Supplement coverage
- **UNC Income Protection plans:** UNC Supplemental Disability and UNC Voluntary Life Insurance and Accidental Death and Dismemberment (AD&D)
- **Mandatory Retirement**

If you were hired between September 1 and November 30, 2023, it's important to understand that you will need to enroll in most benefits twice: first for the rest of the 2023 plan year (coverage effective through December 31, 2023) and then again for the 2024 plan year (coverage effective January 1-December 31, 2024). **Exception:** You only have to enroll in Mandatory Retirement and UNC Supplemental Disability once.

The UNC System currently uses two benefit enrollment platforms and where you go to enroll will depend on what year you are enrolling for coverage as well as the benefits you are enrolling.

- **For 2023 coverage:**
 - You will need to log in to the [eBenefits \(BenefitFocus\)](#) platform for Health through the SHP, Dental, Vision, Accident, Flexible Spending Accounts, and TRICARE Supplement coverage. In addition, you will go here to answer your tobacco attestation if you elect to enroll for health coverage under the SHP and want to receive the wellness premium credit.
 - You will go to the [UNC Empyrean platform](#) for all other benefits, including Mandatory Retirement, UNC Supplemental Disability, UNC Life Insurance, UNC Voluntary AD&D, Cancer and Specified Disease, and Critical Illness.
- **For 2024 coverage:**
 - You will need to log in to the [eBenefits \(BenefitFocus\)](#) platform for Health through SHP and to answer your tobacco attestation if you elect to enroll for health coverage under the SHP and want to receive the wellness premium credit.
 - You will go to the [UNC Empyrean platform](#) for all other benefits, including Dental, Vision, Accident, Flexible Spending Accounts, UNC Supplemental Disability, UNC Life Insurance, UNC Voluntary AD&D, Cancer and Specified Disease, Critical Illness, and TRICARE Supplement coverage.

You will be able to link to both of the enrollment platforms for your institution from the enrollment page on the UNC System Human Resources site (<https://myapps.northcarolina.edu/hr/benefits-leave/health-and-welfare-benefits/health-benefits-enrollment>).

2. When is 2024 Open Enrollment?

ANSWER: Open Enrollment begins on October 9, 2023, and ends on October 27, 2023.

3. What benefits can I enroll in or make changes to during Open Enrollment?

ANSWER: During Open Enrollment, you can enroll in or update the following benefits:

- Health through the State Health Plan (SHP)
- Dental
- Vision
- Accident
- Flexible Spending Accounts
- UNC Supplemental Disability
- UNC Life Insurance
- UNC Voluntary Accidental Death & Dismemberment (AD&D)
- Cancer and Specified Disease
- Critical Illness
- TRICARE Supplement coverage

4. Is Evidence of Insurability (EOI) required for any of the benefits?

ANSWER: Yes. There are a couple instances in which you'd have to submit EOI for UNC voluntary life insurance coverage (i.e., if you are not currently enrolled and want to enroll in coverage for the first time or you are requesting life insurance coverage over the guaranteed issue amount). The [UNC \(Empyrean\) platform](#) will prompt you if EOI is required.

In addition, if you are not currently enrolled in the supplemental disability programs with Lincoln Financial or The Standard and would like to enroll during open enrollment, EOI will be required. You can download the EOI from the Resource section of the UNC (Empyrean) platform, or click [here](#).

5. Where will I need to go to enroll during Open Enrollment?

ANSWER: The University currently uses two benefit enrollment platforms: eBenefits (BenefitFocus) and UNC (Empyrean). Depending on the types of benefit coverage you are enrolled in/want to enroll in/change, you may need to access both platforms.

- [eBenefits \(BenefitFocus\)](#): You will need to log into this platform to enroll/make changes to your 2024 elections for the State Health Plan (SHP). In addition, you will go to this site to answer the tobacco attestation if you elect to enroll for health coverage under the SHP and want to receive the monthly wellness premium credit. As a reminder, if you are a tobacco user, you must complete the Tobacco Cessation Counseling by November 30, 2023, to receive the monthly wellness premium credit.
- [UNC \(Empyrean\)](#): You will go here to enroll in/make changes to your 2024 elections for Dental, Vision, Accident, Flexible Spending Accounts, UNC Supplemental Disability, UNC Life Insurance, UNC Voluntary AD&D, Cancer and Specified Disease, Critical Illness and TRICARE Supplement coverage.

You will be able to link to both of the enrollment platforms for your institution from the enrollment page on the UNC System Human Resources site (<https://myapps.northcarolina.edu/hr/benefits-leave/health->

6. Will my current NCFlex benefit elections automatically roll over into the UNC Empyrean platform?

ANSWER: If you are currently enrolled in NCFlex Dental, Vision, Accident, and TRICARE Supplement coverage, your elections will automatically roll over to the UNC (Empyrean) platform and remain in effect for 2024. You will **not** see these benefits in the [eBenefits \(BenefitFocus\)](#) platform during Open Enrollment for 2024 coverage since they are now on the UNC (Empyrean) platform. We recommend you log into the UNC (Empyrean) platform during Open Enrollment to confirm your coverage converted correctly.

Flexible Spending Accounts (FSAs) require re-enrollment every year, so your benefit election from last year will not roll over to the UNC (Empyrean) platform. If you want to participate in either of the FSAs, you must make an election on the UNC (Empyrean) platform during Open Enrollment.

7. Where do I go if I need to process a Qualified Life Event (QLE)?

ANSWER: The platform you use to do this will depend on when you experience the event as well as the type of benefit coverage you need to change.

- If the event occurs **before December 1, 2023**, you will use the [eBenefits \(BenefitFocus\)](#) platform for Health, Dental, Vision, Accident, Flexible Spending Accounts, and TRICARE Supplement coverage changes. You will use the [UNC \(Empyrean\)](#) platform for UNC Voluntary Life Insurance and Accidental Death & Dismemberment (AD&D), UNC Supplemental Disability, Cancer and Specified Disease, and Critical Illness changes.
- If the event occurs **after December 1, 2023**, you will need to use the [eBenefits \(BenefitFocus\)](#) platform for Health coverage changes. You will use the [UNC \(Empyrean\)](#) platform for all other coverage changes.
- If you are unsure of which platform to use, see the [Employee Enrollment Matrix](#) or contact your institution's University Benefit Administrator (UBA).

Click [here](#) for instructions on how to make changes to your benefit plans on both enrollment platforms.

8. When will my paycheck deductions for Open Enrollment elections and/or changes take effect?

ANSWER: Your new paycheck deductions will take effect in January 2024. You will receive a Benefits Reminder email in January 2024, reminding you to check your deductions and ensure all enrollments/changes are captured. If you find any discrepancies with your benefit elections on your January 2024 paycheck, please notify institution's University Benefit Administrator (UBA). You will not be able to make changes to any benefits after Open Enrollment unless you experience a Qualified Life Event.

9. Where do I go to review my benefits elections?
